Skills

- **Programming:** Java, Python, JavaScript
- **Frontend:** HTML, CSS, React
- **Backend:** JDBC, REST API
- **Database:** MySQL
- **Core:** Object-Oriented Programming (OOP), Data Structures and Algorithms (DSA)

Projects

FindMyCrib — AI-Powered Real Estate Platform

Apr 2026 – May 2026

Technologies: HTML, CSS, JavaScript, React, n8n

Live

- Developed an **AI-powered real estate platform** that helps users evaluate and compare properties through property insights, investment risk assessment, EMI and financial estimates, and personalized property recommendations.
- Built the backend workflow and automation layer using **n8n**, connecting AI services, data processing, notifications, and business workflows to automate property analysis and platform operations.
- Designed and developed a responsive frontend with **React** and reusable UI components for property discovery, comparison, analysis, and personalized user interactions across devices.

Mine-Bot — Robotic System for Real-Time Monitoring and Hazard Detection

May 2025 – Oct 2025

Technologies: Embedded C, ESP32, ESP32-CAM, Arduino IDE, IoT, Wi-Fi, Bluetooth

GitHub

- Developed an **IoT-enabled mine safety robot** using ESP32 and ESP32-CAM for real-time environmental monitoring, hazard detection, and live video streaming.
- Integrated **gas, temperature, fire, light, and metal sensors** with Bluetooth control and Telegram Bot API alerts to enable remote monitoring and rapid hazard notifications.

Internship

Learner's Byte Global Info Vision

Jan 2026 – May 2026

AI Intern

- Worked with **Generative AI tools** including ChatGPT, Gemini, Ideogram, Kling AI, and Perchance AI for content and visual asset generation.
- Built **n8n automation workflows** for AI integration, process orchestration, task automation, and notifications.
- Contributed to **AI-assisted application development**, integrating generative AI and automation into practical workflows.

Certifications

- **Web Design Course** — Udemy
- **System Design through Verilog** — NPTEL
- **Python Foundation Certification** — Infosys
- **Internet of Things Foundation Certification** — Infosys
- **RISC-V Workshop** — Samsung

Education

Global Academy of Technology

B.E. in Electronics and Communication Engineering — CGPA: 9.18

Bangalore, India

2022 – 2026

Shree Bhagawan Mahaveer Jain College

Pre-University in PCMB — 82.66%

Bangalore, India

2020 – 2022

The Oxford English School

ICSE — 83.16%

Bangalore, India

2010 – 2020
